The image displays three sequential screenshots of the Brillink Bank app interface during a corporate account opening process.

**Interviews:** The screen shows a back arrow, the title "Interviews", and a section for "Interview number" with a text input field and a "confirm" button. Below this is a "Note" section with three numbered instructions regarding the interview process.

**Business Information:** The screen shows a back arrow, the title "Business Information", and a form with several fields: "Opponent3", "Supplier", "Buyer", "Main customers who account for more than 50% of total sales", "Registered Name", "Trade Name", "Nature of Business/Industry", "Account opening purpose and source of funds", "Initial Source of Wealth" (with a dropdown menu), "Expected source of funds", and "Reason for opening an account". At the bottom, there is a "Next" button and a "The information does not match, suspend account opening" button.

**Control People Information - 1:** The screen shows a back arrow, the title "Control People Information - 1", and fields for "Account Holder Name" and "Incorporation Document Number". Below these is a "Controlling Person Category" section with a "Warm Tips" dialog box that says "The information is correct, confirm account opening!" with "Cancel" and "Confirm" buttons. At the bottom, there is a "Next" button and a "The information does not match, suspend account opening" button.

7 Refer to Brillink's SMS, enter your Interview Code. Click "Confirm".

8 Check and confirm all information.

9 Click "Confirm" to process face recognition.
